**YMCA European Christian
Mission Conference**

12th - 15th January 2012

THEME : "Uniting for the Kingdom"

UNIFY, the YMCA European Christian Mission Conference, aims to inspire and energise the Christian emphasis of YMCAs across Europe.

UNIFY will bring together Christians from across European YMCAs to network, share their experiences, pray and worship, to gain inspiration and discover new resources for delivering Christian emphasis work within their YMCAs.

Our hopes and prayers...

- To create an opportunity for YMCA people (paid staff & volunteers) to express their Christian faith within the context of the YMCA Movement.
- To help European YMCAs to strengthen their Christian identity and explore the potential for a European YMCA Christian Mission Network.
- **YOU** will be personally resourced to more effectively serve Christ in your personal life and in the YMCA.
- **YOUR** YMCA will be resourced and renewed with ideas and practical tools to help develop Christian emphasis work.
- **WE** will be unified as we celebrate together the richness in European Christian Culture.
- The event will feature keynote speakers from across Europe, workshops and seminars, time for reflection, Christian resources exhibition and visits to local YMCAs
