

Summer job in Oslo, Norway 2007?

Are you interested in being part of a young, international volunteer team this summer?

Rønningen Folk High School is owned and run by Norway YMCA/YWCA. The school is located centrally in Oslo in beautiful surroundings. There are possibilities both for experiencing city life in Oslo, and for recreational outdoor activities in the forest by the school.

During summer the school is a hostel (Oslo Hostel), which is cooperating with Hostelling International.

The school needs volunteers from May 20th - August 30th.

If you work six weeks or more, your travel expenses will be covered. The volunteers get free food and lodging as well as 800,00 NOK a week. If you work for a shorter period of time, you will have to make an agreement with Oslo Hostel about your travel expenses. Other conditions are the same.

Working hours are maximum 35 hours, 4-5 days per week.

The work will consist of preparing rooms, cleaning, reception work and other practical tasks.

For more information, consult www.oslohostel.com or www.ronningen.fhs.no
